

COMUNA

corazón de la

Comuna is about the unique spirit of Buenos Aires and Argentina. Buenos Aires is made up of 15 comunas (districts), each with their own distinctive personality and story to tell. Behind each comuna, there is an experience to live. Discover and share your own story. Comuna No. 3 is considered the birthplace of tango in the 1890s. Today is the place where passions and music embrace to create stories.

"Comuna, stories to share"
